EXPERIENCE

2022 - present I Shibumi (a Business Intelligence Agency)
Digital Designer

A one-man digital design department, which is responsible
for all the digital assests of the firm, in charge of building, maintaing
and designing all the websites owned by the company, and any other
digital/graphic element that needs designing, including Biz Dev
presentations, mailers, Instagram/Linkedin ads, and logos.

2007 - 2021 I Beiman-Cohen-Biran (an exhibition Design Studio)
Graphic Designer

A one-man graphic design department, which was responsible
for the visual elements of hundreds of exhibition booths around
the world, from the initial sketches to the stage of sending the
graphic files to the producers.
A team player who always managed at least 7 projects
at a time, so working under pressure was a standard, constant
element of the job.
